

Overview

MAHJ-X is a thrilling evolution of our beloved American Mah Jongg game! While staying true to the National Mah Jongg League's guidelines, MAHJ-X introduces exciting new rules that reduce the element of luck and elevate strategic thinking in gameplay.

MAHJ-X offers players increased opportunities to switch between hands and, in turn, more chances to achieve Mah Jongg. This helps reduce player frustration and improves enjoyment of the game.

Get ready to embark on an exciting Mah Jongg journey like never before!

Rules Outline

- All players start with 13 tiles. East deals.
- Every player begins with a joker
- Updated Charleston rules:
 - Both Charltons are mandatory
 - All left/right passes may be blind
 - Across passes are negotiated (same as Courtesy Pass)
- Reverse joker swaps
- Discarding a joker gets you an extra pick from the wall
- Add/subtract to exposures during your turn
- Reverse consecutive runs
- Unique scoring system (with score card)
